11. Report of the Registrar of the Senate
The Registrar presented his report for 2010-11 to the members of the Senate (Appendix-I).
The report was received and the following observations emerged out of the discussions that followed:
A. The House expressed appreciation for the work put in by the Registrar and the Senate office.
B. Concern was expressed over the adverse remarks of the Chief Commissioner of Income Tax with reference to the case for exemption filed by the Senate. It was noted that the IT Commissioner’s order has been challenged in the Tribunal/High Court.
C. The question was raised as to whether a student allegedly indulging in malpractice in the examinations should be debarred for year or only debarred for the particular paper(s). This was especially raised in the light of the fact that the Senate results are declared only in August by which time the student has already begun studies of the next year and it is difficult to remove him/her after three months.
D. Several spoke on the issue of separating the “Seminary” (place of ministerial formation) from the “theological college” (place of imparting theological knowledge/academic exercise). There were other voices that felt that the division was artificial. Other voices expressed that a balance had to be maintained between a purely scholarly exercise (academics) and ministerial formation (preparation for pastoral ministry). It was pointed out that such division/distinction is not preferred in India. It was felt that the whole issue had to be further studied.
E. The matter of re-evaluation of Senate-examined papers was raised. However, the Registrar explained that the system of two examiners already ensured that a paper was examined twice, or re-valued, before results were published.
F. The issue of the recognition of Serampore as a ‘University’ by the UGC was raised for clarification. It was mentioned that Serampore is a University by virtue of the Bengal Act 1918; relevant information with UGC certification/registration are provided on the web-page; and that there was no need to further discuss the issue.
G. It was expressed that the M.Th. curriculum revision should be urgently pursued and completed within a short while. Further, lessons should be learnt from the exercise of the B.D. curriculum revision and problems avoided.
H. Concern was expressed that not many teachers attended pedagogical institutes; it was felt that these should be taken advantage of and teachers attending should in turn train their colleagues.
I. There is no need to mention marks of two examiners in the mark-sheet.
The Senate resolved:
Resolution XIV:
i. That the report of the Registrar be accepted with thanks and appreciation;
ii. That the issues/concerns that emerged from the report, and in the discussion, be referred to appropriate Committees for study and necessary action.

It was noted, from the Registrar’s report that he will be retiring in March 2013. It was felt that the process for appointing a new person should start as early as possible so that the Registrar-designate could work, for at least a few months with the present Registrar, to get oriented to the job.

The Senate, therefore, further resolved that:
Resolution XV:
i. The Executive Committee be authorized to take the necessary steps for the appointment of a Registrar;
ii. The appointment of new Registrar be approved by circular resolution by the members of the Senate; and
iii. The recommendation be sent to the Council, meeting in October 2012 for approval.

The Dean, Extension and Doctor of Ministry Programme, Dr. A. Wati Longchar presented his report for 2010-11 to the members of the Senate (Appendix-II).
The report was received and the following observations emerged out of the discussions that followed:
A. Appreciation was expressed for the work of the Dean, the Associate Dean, and the facilities/hospitality offered at the SCEPTRE centre. Appreciation was also expressed that SCEPTRE was being well utilized and that it is self-supporting in terms of running its programmes.
B. The question of whether lay persons and women were benefitting from SCEPTRE programmes. The Dean replied that for every programme, the ratio of pastors, lay persons, and women were kept in mind and strictly followed.
C. The status of the MCS programme being offered in regional languages was raised. The matter is with the Academic Council and their decision is awaited.
D. It was expressed that future programmes had not been included in the report. The Dean expressed that equipping pastors, lay people, and other church workers was a part of the vision of SCEPTRE.
The Senate resolved:
Resolution XVI:
i. That the report of the Dean, Extension and Doctor of Ministry Programme be accepted with thanks and appreciation.
ii. That the concerns that emerged in the discussion be taken up in the appropriate committees.

The Dean, Department of Research / SATHRI, Dr. H. Vanlalauva presented his report for 2010-11 to the members of the Senate (Appendix-III).
The report was received and the following observations emerged out of the discussions that followed:
A. Some members felt that a lot of the resources were being used to develop the Research centre/facilities at Serampore, whereas regional centres had also to be developed so there seems to be a contradiction in the use of resources. However, it was explained that the development of a national research centre was essential as part of the research department of a University structure. Also the use of resources for the development had been discussed many times in the past and had been approved. So the need was to proceed with the development rather than keep discussing it.
B. The question was asked as to whether the residential requirement for D.Th. could be raised to four years from the present three years as many students were not able to complete their work and submit their thesis in three years.
C. The University should have a separate publication wing to take care of publishing books/journals of all the various departments of the University.
D. The work of construction of the new research centre would begin in a few weeks with funds generated from the sale of the Bangalore property. Clearance/permission for construction has been received from the Serampore Municipality.
The Senate resolved that:
Resolution XVII:
i. The report of the Dean, Department of Research/SATHRI be accepted with thanks and appreciation;
ii. The issues/concerns that emerged from the report, and in the discussion, be referred to appropriate Committees for study and necessary action.
The meeting adjourned for the day with prayer by Rev. Dr. James A. Bergquist.

The proceedings on Friday, 10 February 2012, began with devotions led by Dr. Shibu Mathew (NTC Staff), the reflection was brought by Rev. Dr. Vanlalchuanawma (Principal, ATC, Aizawl) the closing prayer and benediction was said by Rev. Dr. George Oommen (NTC Staff).

The President informed that greetings from Dr. Joseph Shao, General Secretary, ATA, and Dr. Dietrich Werner, International Programme coordinator, ETE-WCC were received.

A. New Affiliation:

i. Calvin Institute of Theology, Chengalpet Road, Kanchipuram (WC/09/12, 294/11; WC/59/11)

On the recommendation of the Working Committee of the Academic Council, Senate resolved that 

Resolution XIX:

a. The Institution should appoint Principal with D.Th/Ph.D. degree of Serampore or its equivalent.
b. Core faculty in Religion with Serampore recognized qualification be appointed.
c. Professors with at least MA in Philosophy, Sociology and Psychology be appointed to teach BD first year students under five years BD course under new BD curriculum.
d. A compliance report should be submitted to the Senate within April, 2012.
e. Subject to fulfill the above recommendations, the Calvin Institute of Theology, Kanchipuram be granted provisional affiliation with effect from academic session 2012-13,
f. Institute shall only admit students only in BD first and second year under new BD Curriculum;
g. During the provisional period, all courses, as per rule, shall be examined by the Senate.

ii. Dr. Somervell Memorial C.S.I. Medical College & Hospital, Karakonam, Thiruvananthapuram, Kerala – Dip.C. P.C. course (WC/09/12, 294/2011; WC/59/11/iv)

On the recommendation of the Working Committee of the Academic Council, Senate resolved that

Resolution XX:

i. A compliance report be submitted by the College by April, 2012;
ii. The Somervell Medical College & Hospital, Karakonam, Thiruvananthapuram be affiliated for DCPC course through an institution established, as suggested, in cooperation with Kerala United Theological Seminary, Thiruvananthapuram

iii. Impur Bible School, Nagaland – DipCS/BCS. Course (WC/09/12, 294/2011; WC/59/11/v)

It was clarified that Dip CS is not required for affiliation as it is offered directly through Senate, but here the request is to recognize centre as an examination center as well as for permission to offer course in Ao language. On the recommendation of the Working Committee of the Academic Council, Senate resolved that

Resolution XXI:

a. The School be asked to appoint coordinator for Dip.C.S. Program;
b. The Impur Bible School be recognized as Dip.C.S. Examination Centre in Ao language for five years from current academic year;

B. Confirmation:

On the recommendation of the Working Committee of the Academic Council, Senate resolved that

Resolution XXII:

i. The Seminary take note of the suggestions made by the Commission and submit a compliance report by April 2012;
ii. The faculty in Religions, Christian Ministry, Philosophy, Sociology, Psychology be appointed immediately to run the B.D. course;

iii. Few staff, in place of those who will retire within 2-3 years, may be appointed to fill in the gap.

iv. Books and the journals, as suggested, should be procured by the end of the academic year and reported to the Senate;

v. A budgetary provision of Rs.5 lakhs per year, for next three years, be made to upgrade the library for B.D. studies;

vi. Proper hostel facilities should be provided for the girls and students with family;

vii. Subject to fulfilling all the above recommendations, the Seminary be provisionally affiliated for BD programmes as per Senate rules, and be allowed to commence B.D. program in English medium, under new curriculum, from the academic session 2012-2013.

On the recommendation of the Working Committee of the Academic Council, Senate resolved that Resolution XXIII:

i. The “Provisional Affiliation” that was granted to the Manipur Theological College, Kangpokpi, Manipur at the B.D. level in English medium in 2008 be now “Confirmed” with effect from the academic year 2012;

ii. The development process within the College must go on for the benefit of the College community;

iii. The Senate of Serampore College might send some Commission periodically in future to keep pace with its standard and norm.

C. Report of the one member Commission for review: Re-visit

On the recommendation of the Working Committee of the Academic Council, Senate resolved that Resolution XXIV:

i. Principal, with qualification recognized by Serampore be appointed as early as possible;

ii. Compliance and progress report be submitted by the colleges before June 15, 2012;

iii. If found un-satisfactory, no students shall be admitted in the academic year 2012-13; and

iv. All papers shall be Senate examined in the academic year 2012-13.

ii. Harding Theological College, A.B. Mission Compound, Tura – five years BD programme in English medium (WC/09/12, WC/09/08/II)

On the recommendation of the Working Committee of the Academic Council, Senate resolved that Resolution XXV:

i. The college has M. Th. degree holders in all the major subjects. However, the College should appoint at least one D. Th. Or its equivalent professor.

ii. The College should appoint D.Th./Ph. D. candidate as its Principal as per Senate rule before the next academic session.

iii. Having seen the College is fulfilling the previous commission’s recommendations, the Harding Theological College is recommended for confirmation of the B. D. Programme from 2012 academic year.

iii. John Roberts Theological Seminary, Shillong – BCS course (WC/09/12, WC/60/11)

On the recommendation of the Working Committee of the Academic Council, Senate resolved that Resolution XXVI:

The John Roberts Theological Seminary, Shillong be given permission to start BCS program.

iv. Concordia Theological Seminary, Nagercoil – BCS course (WC/09/12, WC/60/11/I, AC/31/11, WC/26/10, WC/59/2010)

On the recommendation of the Working Committee of the Academic Council, Senate resolved that Resolution XXVII:

The Concordia Theological Seminary, Nagercoil be given permission to start B.C.S. programme from 2012 academic session.
18. Incomplete non-credit language course in Biblical Studies (page no. 300/2011; WC/81/11)

Senate was informed that some students did not pass Non-credit biblical languages at the College level several years ago, and their cases were not reported to the Senate, whereas they completed all other requirements, therefore the students were not granted the degree. The Executive Committee recommended that oversight be condoned, as a very special case, in the interest of the students.

On the recommendation of the Executive Committee, the Senate resolved that

Resolutions XXVIII:

i. Students who have declared successful in completing requirements of the Senate towards the degree but have not completed non-credit course in biblical languages, as special case, be declared pass, and degree be awarded to them;

ii. Colleges be asked to report every year if students have not pass the non-credit compulsory courses, and they should not be allowed to appear in final Senate examination if they have not completed college course requirements.

19. Policy decision:

A. Evaluation of Internal Assessment (page no. 209, AC/28/11/ii, AC/12/10-ii)

On the recommendation of the Academic Council, the Senate resolved that

Resolution XXIX:

Following guidelines for internal assessment be approved:

1. The Marks allotted for internal assessment in each college paper shall be based upon the following:
   i. Attendance
   ii. Sessional examination
   iii. Home assignment

2. For all Courses (theory/practical/project work) examined by the colleges, the continuous assessment shall be for a maximum of 40 marks (consisting of 35 marks for tests/experiments and 5 marks for attendance.

3. The above continuous assessment shall be awarded as per the procedure given below:
   a. Theory courses
      Three tests each carrying 100 marks shall be conducted during the semester by the concerned Department / College. The total marks obtained in all the tests put together out of 300, shall be proportionately reduced for 35 marks and rounded to nearest integer (This also implies equal weight age to all the three tests).
   b. Practical Courses
      Every practical exercise/experiment shall be evaluated based on conduct of experiment/exercise and records maintained. There shall be at least one mid-semester test. The criteria for arriving the internal assessment marks (35 marks) shall be decided based on the recommendation of the class committee and shall be announced at the beginning of every semester by the Principal.
   c. Project Work
      The Principal shall constitute a review committee for each branch of study. There shall be three assessments (each 100 marks) during the semester by the review committee. The student shall make presentation on the progress made by him / her before the committee. The total marks obtained in the three assessments shall be reduced to 35 marks and rounded to the nearest integer,(This also implies equal weight age to all the three assessment).

4. There shall be 5 marks for regularity in attending lectures and tutorials, and the credit for regularity in each paper, based on attendance, shall be as follows:
   More than 67% but less than 70% - 1 mark
   70% or more but less than 75% - 2 marks
   75% or more but less than 80% - 3 marks
   80% or more but less than 85% - 4 marks
   85% and above - 5 marks
   (Medical certificates shall be excluded while calculating credit towards marks to be awarded for regularity, though such certificates shall continue to be taken into account for the purpose of calculating eligibility to appear for examinations as per the provisions.)

5. Every teacher is required to maintain an ‘Attendance and Assessment Record’ which consists of attendance marked in each lecture or practical or project Class, the test marks and the record of class work (topic covered), separately for each course. This should be submitted to the Head of the department periodically (at least three times in a semester) for checking the syllabus coverage and the records of test marks and attendance. The Head of the department will put his signature and date after

25
due verification. At the end of the semester, the record should be verified by the Principal who will keep this document in safe custody (for five years). The Senate or any Evaluation Commission appointed by the Senate may inspect the records of attendance and assessment of both current and previous semesters.

6. Sessional examination
   i. The sessional examination shall not be more than one hour and shall be conducted by the concerned teaching staff. After evaluation, scripts may be shown to the students and correction may be made, if necessary. The answer-scripts should be kept for a minimum of one year for record.
   ii. There shall be no provision for repeat/betterment in sessional examination. If a student misses any sessional examination for unavoidable reason, the concerned teacher may allow the student a separate examination with the approval of the college faculty.
   iii. If a course is taught by more than one teacher, the teachers concerned shall cooperate in conducting internal evaluation.
   iv. At the end of the semester, the concerned teacher shall submit the internal assessment marks in proper format along with the answer scripts to the Principal. The Principal will take necessary steps to scrutinize and tabulate the marks of the students.
   v. The college may be required to submit to the Senate all answer scripts of sessional examination if and when called for.
   vi. 10% of questions in the course examination may be asked from the sessional/home assignment segment.

7. Home assignment may be given to students at any time during the year. The students shall answer the assignment within the time stipulated by the teacher of the course concerned.

8. General rules
   i. Each student shall be assessed on the basis of written assignments/tutorials as well as on the basis of project reports/term papers/seminars. There shall be weightage for such written assignment; and project reports/presentations/term papers/seminars.
   ii. Each student shall be given at least one written assignment per paper in each term, subject to a maximum of 12 written assignments per year for all the papers taken together.
   iii. Where the maximum marks in a paper are less than 100, for example 50 marks, the nature of written assignments/ tutorial work shall stand adjusted accordingly.
   iv. There shall be a **Moderation Committee** for Internal Assessment in each College, discipline-wise, which shall comprise of the senior most teacher in the department, the teacher-in-charge of the department and the previous teacher-in-charge of the department: provided that if, for any reason, the membership of the Committee falls below 3, the Principal of the college shall nominate suitable members from among the teachers of that department/ college to fill the vacancies.
   v. There shall be a **Monitoring Committee** for Internal Assessment in every College, which shall be chaired by the Principal of the College and will be made up of the Vice-Principal (and in case there is no Vice-Principal, the Bursar), Secretary Staff Council, and two senior faculty members to be nominated by the Principal. This Committee shall be responsible for the entire process of Internal Assessment in the College, including redressal of grievances, if any.
   vi. Student has to pass in internal assessment and Course examination separately securing minimum of 40% marks in each segment.
   vii. In the case of referred examination, the course examination shall be for 100%.
   viii. With the introduction of Internal Assessment, the maximum marks for the college examination in each paper shall stand reduced accordingly.
   ix. Senate reserves the right to review, and if necessary moderate, the marks in Internal Assessment in any paper/ papers in any College/Department.
   x. The Board of Moderators shall moderate, if necessary, the Internal Assessment marks across Colleges.
   xi. A student, who is unable to be assessed through internal assessment process, he/she may be assessed by the College through an alternative mode in lieu of the normal assessment. This may be done only in exceptional circumstances.

B. New B.D. first year examination – credits (EC/21/12, page no. 209; AC/28/11/viii)
Senate was informed that there was no indication in the new BD Regulation about the inclusion of the BD first year courses in the final grade of the students; that this segment was so far treated separately though it is an integral part of the course. On the recommendation of the Executive Committee, Senate resolved that
Resolution XXX:
The marks of first year courses under new BD regulation be not included in the final grades of the student.

C. Examination structure in Colleges: Scrutiny Committee (page no. 209; AC/28/11/ix)
On the recommendation of the Academic Council, Senate resolved that
Resolution XXXI:
All affiliated colleges be required to appoint a three member Scrutiny Committee for a period of three years to take appropriate and necessary action concerning matters related to academic and result before they are approved by the college faculty and sent to the Senate.

D. Disciplinary action against plagiarism (page no. 209, AC/28/11/ix)
On the recommendation of the Academic Council, Senate resolved that
Resolution XXXII:
1. Cases of plagiarism should be taken seriously at institutional level, and colleges be encouraged to set norms for arresting any trend among its scholars;
2. If found earlier, or during evaluation process, the work should be rejected and registration of the student be cancelled;
3. If found after the award of the degree, the degree should be revoked, taking into account the procedures now acceptable in academic institutions world over.

E. The matter of recognition of Serampore degrees (page no. 295/2011; WC/59/11/d)
On the recommendation of the Working Committee, Senate resolved that
Resolution XXXIII:
PhD degree awarded by secular universities be considered equivalent to Serampore DTh, if it is pursued on the basis of recognition of Serampore MTh for research programme by that university.

F. Certificate of affiliation (WC/59/11/f)
On the recommendation of the Working Committee, Senate resolved that
Resolution XXXIV:
An Affiliation Certificate be issued by the Senate to all cases of provisional and term based confirmed affiliation, mentioning the validity of time and its continuance after term evaluation.

G. Relationships: BD, MTH, BCS and MCS courses: (page no. 208; AC/27/11)
After some discussion, and on the recommendation of the Academic Council, Senate resolved that
Resolution XXXV:
1. The privilege to BCS graduates pursuing MTh studies, as per present regulations, be continued for three years, i.e., from 2012 to 2015;
2. MCS graduate with high second class, and above, be allowed to teach BCS courses;
3. The relationship between these degrees be further considered by the Academic Council/Working Committee especially moving from BCS to BD and transferring registration/credits from BD to BCS and BCS to BD.

On the recommendation of Academic Council, Senate resolved that
Resolution XXXVI:
The BD and MTh Boards of Studies work as a combined board for the present triennial.

V. Matters from the Executive Committee/Finance Committee

Senate noted this with approval.

Senate noted that Constitution of the One National Structure of Theological Education in India is updated and will be printed separately after incorporating the section on the age of the members of the Board as approved by the Board and the Senate.
22. **Continuation of B.Th. Course** (page no. 135 of 11; EC/89/11, WC/27/11; WC/63/10, p. 229; Sen/25/11 E)

On the recommendation of Executive Committee, Senate resolved that

**Resolution XXXVII:**

i. Seminaries/colleges that are sponsored by the churches, and are offering BTh courses only, be allowed to offer BTh courses for five years (2012-17);

ii. Senate shall conduct comprehensive examination as it does in case of colleges in Sri Lanka;

iii. Students under such registration shall be allowed to appear two courses per year in comprehensive examination.

23. **Fee Structure – SSC, Research & BTESSC** (page no. 138; EC/102/11, 195/2011; FC/Nov.2011)

32. **Collection for Senate Prize 2012**

Senate was informed that an amount of Rs.10,850/- had been collected for the Senate Prize - 2012.

33. **Vote of Thanks:**

Rev. Dr. P. G. George presented the Vote of Thanks to the following:

- **The Master:** Rt. Rev. Dr. John S. Sadananda. The Master was at hand and gently reminded us over and over again of the fine lines of the Serampore system. Bishop aroused in us new visions of goodness and excellence through his interventions from time to time. We love you and offer our thanks for all you are and thank you for all that you have done for us in this critical juncture of our history.

- **The President:** Rt. Rev. Dr. Isaac Mar Philoxenos. Bishop graciously presided over the meetings and gently moved us along through thick and thin. His Grace made these business meetings a time of fellowship and celebration. All voices were heard and dissenting voices were respected. He guided the proceedings to make decisions which will take this “communion of theological fraternity” to meet the challenges of the 21st century.

- **The Registrar:** Rev. Dr. Ravi Tiwari. He stands at the helm of the Serampore system steadily steering the ship through rough waters. He is a visionary and very sentimental. His service to the Senate of Serampore as Registrar has brought much gain to the system; his meticulous and genuine work will reap dividends in the future. We thank you for all that you have done, and are doing, to make our Serampore system glorious and viable.

- **The Secretary of the Council and Convenor of the Senate:** Rev. Dr. P. C. Gine. We appreciate the extra responsibilities that you have willingly taken on. You bring to the office your wealth of experience and we appreciate your leadership qualities.
The Treasurer: Rev. Dr. Ivy Singh. Her able and lively leadership is appreciated in careful stewardship and building up of resources.

The Secretary, BTESSC: Rev. Dr. Mohan Labeer. The Dean: Research/SATHRI, Rev. Dr. Vanlallauva. The Dean: SCEPTRE, Rev. Dr. Wati Longchar. The Assoc. Dean, Rev. Dr. M. T. Cherian. Our grateful thanks to all these officers and offer you our prayers as you carry out your responsibilities.

All Principals, Heads of Institutions, Staff representatives, and student representatives for their active presence and participation in making the meeting s lively and fruitful.

We thank Dr. Maung Maung Yin (MIT) and Dr. Lal Tin Hue (ATEM) from Myanmar for their presence and co-operation.

We thank all our ecumenical partners especially for the presence of Dr. Eberherd Will and the messages from Dr. Dietrich Werner and Dr. Joseph Shao.

We thank Dr. Siddhartha and Prof. Dr. Christoph Stueckelberger for their papers which generated a lively discussion in the Board Seminar.

We place on record our deep thanks to the New Theological College, it’s Founder-Director, it Principal, Faculty and Students for putting all the machinery of the College at our disposal to make our stay, our meetings and deliberations, comfortable and enjoyable, in spite of the cold weather and rain/snow and earthquake. We congratulate the NTC on the occasion of their Silver Jubilee.

We thank the Nominations Committee, Findings Committee, Senate and BTESSC Staff for their hard work.

We thank the Recording Secretaries of the proceedings of the Board, Rev. Richard E. A. Rodgers and Rev. Dr. Samuel W. Meshack, and the Recording Secretaries of the proceedings of the Senate, Rev. Richard E. A. Rodgers and Rev. Dr. Sunil M. Caleb, for their dedicated work;

We thank the leaders of the morning devotions, the Preachers, and those who enlivened the worship with their songs;

Above all we thank God, in Christ, who has been engaged in the endeavors of the Board and the Senate of Serampore College, leading us on in spirit to mature theological thinking and responsible action in the Church and society.

The President expressed his thanks to all members of the Board and Senate, especially to the Master for his wise counsel and availability, to all the Officers of the Senate for their guidance and co-operation, and the Founder of New Theological College, Dr. George Chavanakamannil, and the Principal, Rev. Dr. Simon Samuel, and the NTC community of Staff and Students for all the efforts they have taken for the comfort and well-being of all. He prayed for God’s blessings on all.

Thanks were also expressed by the Principal, NTC – Dr. Simon Samuel. He also made announcements regarding NTC Silver Jubilee programmes for the rest of the day. Announcements were also made regarding the Convocation on Saturday.

The Senate resolved:
Resolution XLVI:
To place on record it gratitude to all mentioned.

34. Closing Prayer and Benediction
The meeting of the Senate adjourned sine die with prayer by Rev. Dr. Maung Maung Yin and benediction by the President, Rt. Rev. Dr. Isaac Mar Philoxenus Epicopa.

Rt. Rev. Dr. Isaac Mar Philoxenus Epicopa    Rev. Dr. Ravi Tiwari
President    Registrar

Rev. Richard E. A. Rodgers and Rev. Dr. Sunil M. Caleb
Recording Secretaries
Respected Master, Bishop Isaac Mar Philoxenos, President of the Senate, Members of the Senate and the Board, honored guests and friends;

We are grateful to New Theological College for inviting Board of Theological Education of Senate of Serampore College (BTESSC) and the Senate to hold annual meetings and the Convocation in its Campus. We are aware of the hard work behind all the arrangements that are made here, for which we would like to express our heartfelt appreciation to the New Theological College community and its leaders. It is a matter of great pride that this College is celebrating twenty-fifth years of its establishment, and is sharing its joys and vision with theological fraternity; we join the NTC Community in thanking God for His faithfulness, and exhort them to continue the good work that was started by its founders and visionaries.

I am emotionally attached to this place, and Himalayas. I went to commence my theological studies from Dehradun when my father came to research on Swami Rama Tirth, sponsored by Christian Institute for Study in Religion and Society, way back in 1969; I have many fond memories of our short stay at Christian Retreat and Study Centre, Rajpur. It is nice to be back to this place.

A brief reflective report of few major activities of the Senate, important events, decisions and developments during the year will be helpful as a point of reference for information and discussion. A few concerns have also been expressed, to draw our attention, and to take necessary action.

I. PEDAGOGICAL INSTITUTES (PI)

We are happy to report that a great number of staff, as expected, have taken advantage of these institutes. Affiliated colleges have been most supportive to our efforts and have shared the expenses with the Senate by providing one way travel and registration fee. We are happy that Sri Lankan participation was made possible from the grants we received from our over-sea partners. We had slated four PIs this year- two at SCEPTRE, Kolkata, and two at FFFRRC, Kottayam. We are thankful to Drs. Wati Longchar, M.T. Cherian and K.G. Pothan for their initiative and leadership. The resource persons have been more than kind to conduct the sessions and interact with the participants.

Whereas 33 colleges with 110 staff took advantage of these institutes in 2010-11; eleven colleges with 48 participants have, so far, taken part this year.

Critical reviews of the our academic system, and new curriculum, are also being discussed in congenial and open atmosphere; suggestion made during the sessions will be taken up for further discussion, in due course of time, by various committees, and Senate is expected to take a few policy decisions, as and when, they will be presented to it. It may be suggested that colleges may look at different syllabuses, under the new curriculum, and do the editorial work, adding/subtracting into them and send them to the Senate. Bibliography has to be looked critically and a distinction between text-books, readings for further studies and reference books can be identified and classed separately for the benefit of students. There needs to be a separate section for suggested volumes for the libraries.

There are a few disappointments; a few colleges have not been able to send their staff for these institutes. We hope they will do their best, encourage their staff to attend Pedagogical Institutes, and make use of the opportunity, provided by the Senate with generous grant from EMW, Germany, and KERKINACTI, Netherlands. We plan to have pedagogical institutes in the west and north India as well during the year. It is suggested that we, now on, concentrate more on teaching methods, examination and evaluation processes, and skill formation.

II. RESULTS, GRADUATION, REGISTRATION AND EXAMINATION

The relevant statistics of the examination-2009 is provided as an appendix to this report.

The trend of increase in number of graduates and registration in different courses is continuing. We have an increase in number of graduates, touching almost thirteen hundred this year.
III. DOCTORAL PROGRAMME

Thirty-eight theses have been received and sent for evaluation this year. You may have a look at the statistics provided with this report. We are trying to engage at least one examiner from outside Serampore circle and, if possible, among those who have been guiding our students when they are sent abroad for exposure programme. This has enhanced the image of our scholars who are contributing considerably to the scholarship in their respective fields. Some of the comments may help us to improve our doctoral programme: supervisors to give more time to their wards in their efforts in finalizing thesis; care to be taken for language and expression; tendency for plagiarism needs to be checked; proper, and due, acknowledgement of works of others scholars, and theories to be given; careful use of critical and analytical methodology; need for incorporating theological reflection/application/implication in research submitted to the Faculty of Theology of Serampore College (University).

There has been some delay in evaluating a few theses. This is due to the fact that the examiners have taken more time; in some cases, examiners are few and we have to wait before we request to them oblige again for second/third time in a year. As we are now arranging viva voce twice a year, and have introduced provision for provisional certificate, the effect of delay in evaluation is now neutralized. It is satisfying that the system of evaluation, through the process evolved, is working smoothly.

We are introducing Common Entrance Test for doctoral programme from this year in compliance with the stipulation of UGC. Thirty-two students in seven branches of doctoral studies have, so far, applied for the examination this year. We are planning to conduct these examinations twice a year so that candidates have enough time to prepare for the examination as well as for choosing the centres and guides.

New building for the Department of Research/SATHRI, under the Faculty of Theology, Serampore College (University) is taking shape. This part of construction is an integral part of the project of the Council, and the Senate, towards celebrating bi-centenary of the foundation of the College in 2018 that will also include a library and residential accommodation for the staff. The construction is being taken up in phased manner.

IV. ISSUES AND CONCERNS:

a. Re-re-evaluation

This year, we received a few queries, after the declaration of results, for re-evaluation; a few from the students, and a few more, from the principals of colleges. There was a consultation of Principals organized by BTESSC, where the same question was raised, and it was recommended that ‘Senate of Serampore College establish a policy on revaluation system for more transparency and accountability following the Right to Information Act’. At the same time, there is a tendency, growing among the colleges and students, to threaten Senate for legal action; we therefore, need to clarify the issue.

It seems that many of the principals are not aware that a policy of re-evaluation has been the sacrosanct principle of Serampore examination system since 1919: ‘that ordinarily two examiners shall be appointed in each subject of examination, one of whom shall be, and both of whom may be, professors in Serampore College, with its affiliated institutions, provided that both are not on the staff of one and the same college or institution’. This rule, since then, has been religiously followed by the Senate, thus making re-evaluation an in-built system within Serampore Examination/evaluation System, provision of which is not found in any university in India. Most of the Boards and Universities are following evaluation by a single examiner, with a provision for re-evaluation on request, and payment of a fee. When such a right is denied, courts have intervened and have ruled in favor of the applicants with the rider that such provision should be clearly spelled out by the examining body. What is being asked by a few students, and the principals of the colleges, is for re-evaluation of already re-evaluated answer scripts. This, if accepted, will open question mark to our examination system, to the extent that no body will be satisfied till he/she received desired marks. It is in this context, as recently as April 2011, Gauhati High Court expressed the view that ‘it is in public interest that results of public examination should have finality attached to them’, and has dismissed such a petition. This finality is what Serampore system has maintained all through last ninety years with much appreciation and satisfaction. Serampore, so far, has been voluntarily following the policy of in-built-re-evaluation method to maintain high standard of credibility to its system, and it will continue to do so, as there is nothing from its side to hide.

b. Examiners’ marks in the statement

Serampore results are declared on the basis of two examiners with a few exceptions where second examiners fail to send the marks in time. As we have asserted in the past, we can do so now; there had hardly been twenty to thirty scripts that are referred to third examiner in the case of Senate examinations. We have never doubted the fairness and integrity of our examiners, and if some students and colleges do, we will help to remove such doubt by printing the marks of first and second examiners in the mark-sheet of the students from this year for the full satisfaction of the students and the colleges. One can see the evaluation and re-evaluation of each of their Senate examined courses in their mark-sheet every year.
c. **Malpractices in examination**

It was in 1945 that the first case of unfair practice was reported to the Executive and disciplinary action taken. Students were often debarred for three to six years and all papers, in both the cases, were also used to be cancelled. Senate has now taken a lenient view, and students are not barred for six/three years. In this way, Senate has been fairly successful in checking malpractices in most of our examinations. We need to have an uncompromising policy in this regards as we are preparing ministers for the church. Supreme Court too, some time ago, has exhorted professional colleges to be strict in dealing with cases of malpractices in examinations. It is regretted that most colleges are not submitting seating-arrangement and attendance sheet. We will be sending attendance sheet of student for each of Senate examined courses from this year which should have to be sent along with the answered scripts. Seating arrangement is necessary as we have found out that the copying, in the case of language-examinations, is often resulted if students are allotted adjutant seats. We expect examination superintendants to be careful in allotting seats to the examinees.

d. **Senate and college examined courses**

We may state, just to refresh our memory, that the power and privilege to confer degrees, through the Royal Danish Charter, is granted to the Council of Serampore College, and it remained solely with the Council, but the power to conduct examination, and processes related to it, was delegated to the Senate of Serampore College through the Bengal Act of 1918. This power to conduct examinations can not be further delegated by the Senate to any one, as per the Act and the law of the land. There is no provision in Serampore College Act which authorizes Senate to transform itself, or to that matter Council of Serampore College, into an Accrediting Body (such a suggestion, in the past, was resolutely rejected by the Council of Serampore College). Senate, therefore, has been examining all the scripts of the Senate prescribed courses, as other universities are doing. No university, to my knowledge, awards degrees on the basis of examinations conducted by external bodies, except in the case of autonomous colleges.

In the context of colleges demanding autonomous statutes, semi-autonomous status, more college examined courses, more internal assessment marks, Senate needs to review the situation and take extra precaution by taking legal advice on the matter, as any slip may lead to repealing of the Act by the West Bengal Government, putting into jeopardy the interest of theological education in Indian sub-continent, and the unique privilege of Serampore College as theological university. Senate needs to open a dialogue on the issue with the Council of Serampore College and seek its guidance and specific direction.

Serampore, however, did recognize a few college diplomas/diploma courses for BD/LTh studies, granting exemptions as it was doing in the cases for equivalent courses from universities. Senate should encourage affiliated colleges to go for their own special/specific diplomas, which can be recognized by Senate after due consideration.

e. **SSC and BTESSC**

Not many among us are aware of certain facts about these two bodies: that Senate of Serampore College (SSC) is the parent body; that Board of Theological Education of the Senate of Serampore College (BTESSC) is a part of SSC; that BTESSC is an Advisory Body to the Senate; that BTESSC is neither accrediting body nor degree-granting body; Secretary is the officer of the BTESSC; that Registrar is only an ex-officio member of BTESSC; that Registrar is not an officer of BTESSC. It is also to point out that there was only once that a full-time secretary was appointed in the erstwhile Board of Theological Education (BTE) of NCCI, and in 2011, BTESSC has decided to have full time secretary to look after its activities. Dr. Mohan Larbeer took charge of BTESSC as full-time Secretary. Apart from initial financial problem faced by the incumbent Secretary, there was some problem with regards to the identity of BTESSC within Serampore system, under the ambit of the Council of Serampore College whose head is the Master of Serampore College. It is necessary that we have proper understanding of our system, for which Secretary of BTESSC is requested to prepare a handbook for its members with necessary information about the System.

f. **Seminary versus theological colleges**

The distinction between theological education-in-general and theological education for ministerial (pastoral) formation, in recent times, has become sharper which demands separate consideration from an academic faculty of theological university, such as Serampore. It is often heard that Serampore degrees that were meant for pastoral training and priestly vocation are now losing their relevance for most of its graduates. It is becoming clear to us that about 60-70% of our BD/BTh students are not joining pastoral ministries. There are a few obvious reasons: they are not sponsored by the churches for pastoral vocation; they have come to study theology on their own; they propose to engaged, independently or through appointment, in some kind of mission work; they prefer to teach in, Serampore/non-affiliated theological colleges; they wish to be in secular profession; they have interest only in study/knowledge of theology. It is a known fact that about 50% of dedicate/committed staff, engaged in theological colleges, are not directly under the discipline of the church as ordained ministers. This situation indicates that time has come for the Senate to initiate a consultation to look ways in
making BD degree, which is still pastoral oriented, relevant to broader ministerial orientation. Senate should also look into the possibility of bifurcating basic pastoral degree into two, clearly defining the nature, scope and goals of the two. We may also look into the possibility in distinguishing colleges imparting theological knowledge from seminaries engaged in preparing pastors, and help the students to prepare themselves for the necessary/desired ministerial vocation/profession.

We seem to be moving towards the direction in which theological education is provided in some of the theological colleges/universities in the West. Senate should initiate a dialogue with the churches/institutions/governments to work out a scheme whereby theological education and pastoral formation can be separately undertaken, one being the responsibility of the Senate, other being that of the churches as per their denominational-doctrinal-ecclesiastical traditions/concerns.

V. ACADEMIC CONCERNS AND SUGGESTIONS

a. Attestation of certificates
We wish to draw the attention of the principals to be careful in attesting degree certificates of students while submitting to the Senate. We have found, in few cases, fraud played by the students, and in few cases, fake certificates were submitted. Since Serampore degrees are recognized by universities for higher education, and in Nagaland students are qualified to apply for jobs in the Government services, it is expected that we have to be very careful, and strict disciplinary action be taken against the defaulter.

b. Open Universities
We need to bring to the notice of academic administrators that they should be careful in differentiating degrees of open universities under academic and adult education streams. Degree programmes conducted after 10 plus two or ten plus two with bridge course, or with entrance test, are considered as academic degree for higher studies as per the UGC norms. Please take special care in verifying the programmes under distance education.

c. Provisional degree certificate
It is to bring to the notice of Principals that Serampore is now issuing provisional degree certificates to its graduates which should be accepted as degree certificate for the purpose of further studies, appointment and privileges that comes along with it to the teaching faculties. As usual, these certificates are valid till the next convocation when the degrees are conferred. Provisional degree certificate issued to DTh students are valid for the purpose of appointment and usual benefits, if so entitled.

d. Plagiarism
It is very unfortunate that this year some cases of plagiarism have been reported from the examiners of DTh and MTh theses. The Academic Council has worked out some guidelines for dealing with the menace, now entering into our research work. The centres and colleges are requested to educate students not to be attracted by this easy way of research, but be gracious enough to acknowledge the sources used in their research work.

VI. REPORTING

i. New computer programmes
Senate has introduced a number of new computer programmes for proper academic administration. We have now registration for all courses and examination forms for MTh, BD, BTh. BCS, CET, through e-form. Colleges are slowly adjusting to this new ways of modernity.

We have declared the results of March-April Examinations, as well as mark sheet through web-site, which was appreciated by all. We have provided, for the first time, individual mark sheet to the students which has helped all concerned. The same mark sheet is now being required for examination entry form as well, reducing error which are some time affecting the students.

Senate has posted a list of staff that is submitted to the Senate by the colleges, on its web-site for the information of general public.

We are planning to make Senate documents available on our web-site: Senate and Committee Minutes, evaluation reports, thesis titles, propositions and summary of MTh/.DTh thesis, regulations, syllabuses, Serampore equivalences, etc.

ii. Income Tax Case
It is to report that Chief Commissioner of Income Tax did not grant tax exemption to Senate as it considered Senate a religious university, and ordered for reassessment of taxes to be paid as an organization. Senate is now moving for reconsideration, pointing out that the Council of Serampore College, and not the Senate, is the proper body which should apply for the exemption, as such Senate has no locus standi, on its own, apart from the Council. The case is being filed anew, challenging the order of CCIT, in the Tribunal/High Court.
Some important points come out very clearly from the two court cases, Senate has faced in last two years: Senate is right in functioning as a university and following UGC and university norms as far as academic rules are concerned; Senate is not the head of Serampore System, Council of Serampore College is; and Senate, SCEPTRE, BTESSC, ASC department and Theology department are constituent parts of the Council of Serampore Colleges, whose head is the Master.

iii. MIT, Myanmar visit
The visit of the SSC and BTESSC team to MIT Myanmar is something we can cite as a move in right direction towards establishing relationship, and seeking cooperation with seminaries and theological colleges in neighboring countries. In the past, due to political situations and demand for quality from the Serampore, as well as its high academic standard, seminaries in the region were discouraged to opt for Serampore. Moreover ATESEA, ATA and other accrediting bodies, with answers to their situation, aptly filled in the gap. In the context and demand of new emerging situation, Senate is willing to step in to help theological seminaries in the region. This is clearly seen from the report the team has given to the Senate, and the actions of the Academic Council and the Executive Committee.

Senate could understand the problems faced by the seminaries in our neighborhood, and is ready to help them to solve a few of them. All concerned now realize that there is a desire, from both the sides, for closer relationship and cooperation; that as long as the governments of India and Myanmar do not allow foreign universities to operate within their territories, the affiliation of their seminaries to Serampore is not possible; that Serampore syllabuses can be used by the seminaries for their courses; that equivalence of degrees, granted by seminaries, can be considered, even if it is with some qualifying/up-grading examination; that the possibilities of offering Serampore degrees/diplomas, through external programmes at seminaries as external centres, can be looked into. Students from neighboring countries may be granted special consideration with regards to admission and financial support. There is some visa restriction/problem; we need to approach our respective governments for sympathetic consideration in the interest of minority communities. We need to plan to follow up the gains of the visit; staff-student exchange programmes at regular basis may be a way in strengthening the relationship between two theological fraternities. Similar visits by Senate teams to other South Asian countries may also be undertaken for the similar purpose.

iv. International recognition
We can report, with much satisfaction, that Serampore is slowly receiving due respect and recognition from the world bodies, which it lost to its subsidiaries. It was unfortunate that they were projected, at the expense of the Senate and the Council, as the degree awarding institutions. It is regrettable that the recent handbook on theological education seems to project constituent parts of the Senate as the degree awarding institutions. In spite of this, some universities, having gone through the information provided on our website, have expressed desire to enter into relationship with the Senate for research and exchange programmes. It is also to report that WOCATI has accepted Senate as its member, providing Senate a forum, where it can strengthen theological education world-wide through sharing its experiences, and learning from others. With such a development, Serampore affiliated institutions will get more opportunities for exposure, and participation in international consultations.

v. MTh Curriculum revision
The process for the revision of MTh curriculum has been set in motion, and the consultation with the centres and the colleges is taking place. During the year, larger groups will be meeting to work on it. Suggestions which we have received will be sent to the colleges for their reactions and suggestions.

vi. Recognition of theological education in Andhra Pradesh
It is to report that the Andhra Pradesh State Christian (Minorities) Finance Corporation, under the Minorities Welfare Department, Government of Andhra Pradesh, is offering scholarships to students from Andhra Pradesh, pursuing theological education in colleges affiliated to Serampore College (University). It is also heartening to note that 30% of scholarship is earmarked for girls’ students. We highly commend this gesture of the government towards encouraging theological education. Government of Andhra Pradesh is the first state, apart from the north-eastern state, to offer scholarship to theological students. I am sure students from Andhra Pradesh will take advantage of such an opportunity provided by their government.

VII. CENTENARIES:
We may bring to the notice to this body that 2018 will be bi-centenary year of the foundation of Serampore College, and centenary year of Serampore College Act. We need to plan, well in advance, for the celebration of this event. Council of Serampore College has already initiated the process by accepting the building project for the Department of Research/SATHRI as an integrated part of larger building which will also have a library and residential complex. The engineering and structural drawings are prepared and approved by Serampore
Municipality.
It is unfortunate that the Chief Commissioner of Income Tax, in his recent judgment caused aspersion to the intention of the founders of the College, saying that the College was solely established for the propagation of the missionary endeavor, and not of education which was not the primary intent of the founders. It is also doubted if Serampore College is truly a university or merely a religious/theological one, catering to a specific community. This misunderstanding needs to be cleared. It may be the time for us to claim for Serampore College a rightful place, within the university fraternity in India, exerting the full privilege, provided in the Act, by initiating to grant degrees in other faculties as well. We may approach the Government to grant national stature to Serampore College, and declare it a central university in the lines of Vishwa Bharti University, Banaras Hindu University, Jamia Millia Islamia and Aligarh Muslim University.

VIII. THANKS
Let me express our thanks to over-sea partners in theological education in this part of the globe, EMW, Hamburg, Germany, and ICCO-Kerkinactie, Netherlands, who have been so supportive to our endeavor, especially Pedagogical Institutes. I must mention Ms. Maureen Trott who has been helping us at the EMW, and has now moved to another desk; we are thankful to her understanding and patience with us. So also to Dick Kleinhesselink of Kerkinactie who will be retiring next month, for his support to theological education under the Senate. The Foundation for Theological Education In South-east Asia has been kind enough to support the visit to Myanmar; we are thankful to them as well to Dr. H.S. Wilson, Executive Director of FTESA. We express our appreciation to Rev. Dr. M.K. Parmanik who has instituted a prize for BD students, excelling in field work. Master, Rt. Rev. Dr. John S. Sadananda, has been a great source of strength and guidance to the officers in the time of difficulties; President, Rt. Rev. Isaac Mar Philoxenos, has always been helpful in steering through the matters taken up for discussion in various committees where he presided. Secretary of BTESSC, Dr. Mohan Larbeer, in spite of his struggle in stabilizing financial resources of the BTESSC, and difference of opinion on various matters, has kept his cool and cooperated in the working of the Senate, I wish to express my grateful appreciation. Treasurer, Rev. Dr. Ivy Singh, though new to the job, has been quite understanding and helpful to us in managing financial affairs of the Senate. Dr. Wati Longchar, Dean, Extension and DMin Programme, needs special mention for his tireless affairs in making SCETRE an acceptable institution in the service of the church and society, and making it financially strong for its programmes. Dr. M.T. Cherian Administrative Assistant/Associate Dean/Associate Professor at the SCEPTRE, with his smile and management skills, is mainly responsible for running residential programmes of the Centre. He has been actively involved in conducting external studies courses. I wish to express to him my sense of deep appreciation with thanks. The Chairpersons, and members of various committees have been wonderful to work with, and I wish to express gratitude for their assistance and help. I wish to express my thankfulness and appreciation to the Principals of affiliated colleges, who have continued their support and understanding in spite of many short comings on the part of mine, and Senate staff. I have been privileged to work with a team of dedicated and committed staff who have been serving Senate and SCEPTRE all the year long, they deserves our thanks and appreciation. I wish to thank Mr. Ashish Kumar who has developed some Senate specific computer programmes, and also helped us to up-date computer programmes, for the benefit of our office and affiliated colleges.

I am entering into the last year of my service to the Senate, and theological education; the journey that began in 1979, is coming to an end. Senate will take necessary steps, during the year, for the appointment of my successor in the office. I am looking forward to complete much of the work left in arrears from the past, and undertaken during the year. Everything may not be accomplished, nonetheless I do hope, with your continued support and encouragement, along with the Divine Grace and guidance; we may be able to serve the Church, and its people, with the best of our abilities during the year, and beyond!

I would like to start this report with a word of appreciation to the Respected Master of Serampore College, Rt. Rev. Dr. John Sadananda, the President of Senate Rt. Rev. Dr. Isaac Mar Philoxenos Episcopa, the Registrar, Rev. Dr. Ravi Tiwari, and the D.Min and Extension Program Committee members for their continued guidance. Their support and encouragement gave us much energy and enthusiasm to carry on our responsibilities.

The SCEPTRE is greatly indebted to our patron ecumenical partners, churches, colleges/seminaries and individual well wishers. It is through their kind support that we could initiate many innovative and academic programs during the last academic year. Like in the past years, the SCEPTRE has been involved in three major activities: (a) Academic Programs (b) Non-formal ecumenical theological initiatives, and (c) Coordination of SCEPTRE Program Centre for various Senate and Church-related programs. In addition, we had the privilege of organizing two teacher’s pedagogy seminars this year. Here are some of the highlights of the activities from February 2011.

A. Academic Programs:

1) B.C.S Contact Seminars: For the students who are directly registered with the Senate, we organized four regional Contact Seminars in four different regions.

   a) 22-28 May - Madras Theological College & Seminary, Chennai
   b) 24-30 June - SCEPTRE, Kolkata
   c) 14-19 July - Orthodox Theological Seminary, Kottayam
   d) 03-08 August - Allahabad Bible Seminary, Allahabad for Hindi speaking students.

   Altogether 127 students attended the seminars. 55 faculty members, including the SCEPTRE staff, from different colleges and seminaries facilitated the seminars. We thank all the teachers for giving their precious time and expertise. We also express our gratitude to all the principals for giving their facilities free or for a nominal charge. We look forward to your partnership and support even in the days to come.

2) D.Min Seminar and Colloquium: Currently, we have 45 D.Min students in the first and second year program who are required to attend colloquium and research methodology seminar. We organized five seminars/colloquiums for them.

   a) February 22- March 2 - Colloquium on Issues in Ministry at SCEPTRE, Kolkata, for the second year students.
   b) May 29-June 07 - Orientation Seminar at SCEPTRE, Kolkata, for the newly registered students.
   c) June 10-18 - Research Methodology Seminar at SCEPTRE, Kolkata, for the second year students.
   d) September 06-15 - Foundational Colloquium at SCEPTRE, Kolkata, for the first year students from North and North East India
   e) September 12-22 – Foundational Colloquium at OTS, Kottayam for the first year students from the South, and Specialization Colloquium at OTS, Kottayam, for the second year students.

   We thank all the professors, mentors and dissertation guides for the help they rendered to the success of the D.Min program. We especially thank the Principal of OTS for subsidizing the rent of the college facilities and allowing D.Min students to use the library free of cost. We acknowledge the support of faculty members from Bishop’s College, Serampore College and Orthodox Theological Seminary for their continued support.

3) Master of Christian Studies Teacher’s Seminar: BCS/MCS Teacher’s Seminar - 2011 was successfully organized at SCEPTRE, Kolkata from 30th October to 1st November 2011, for the Senate affiliated colleges who are offering BSC program and a few colleges who plan to start the extension program were invited to the seminar. Altogether 17 teachers attended the seminar. The Dean of SCEPTRE supported by Drs. Roger Gaikwad and M.T. Cherian, Associate Dean, coordinated the entire program. The participants reviewed the curriculum and regulation. Some suggestions and recommendations of the teacher’s seminar are now under consideration by the appropriate committee of the Senate. The application process is now completed and we hope to organize Orientation Seminar in May this year. We thank the Senate, especially
Dr. Ravi Tiwari, the Registrar, and Dr. Dietrich Werner, ETE Global Coordinator for the support and encouragement.

4) **Teacher’s Pedagogy Seminar:** Two Teacher’s Pedagogy Seminars were successfully organized at SCEPTRE, Kolkata for the Senate affiliated colleges in North and North East India. The first seminar was organized from July 17-19, 2011 in which 30 teachers including the Principals, Vice Principals and Deans attended the seminar. The second teacher’s pedagogy seminar was organized from 01-03 October, 2010 where 24 teachers attended. Altogether 54 teachers from 17 colleges attended the seminars. 16 resource persons facilitated the seminar. This year seminars focused on three issues: (a) Effective Teaching (b) Teaching Theology from the Margin’s Perspective, and (c) The Use of Information Technology in Teaching Theology. Since most of the issues relating to curriculum are clarified/ratified, teachers suggested that the Senate initiate ‘Cluster-wise’ pedagogical institute from the next academic year. We record our sincere appreciation to all the resource persons for sharing their expertise and wisdom. We especially acknowledge the support of Loreto College, Kolkata, for sharing their expertise in both the seminars. We also express our thankfulness to the Senate, especially to Dr. Ravi Tiwari, the Registrar, for giving us the opportunity to coordinate these important seminars for the Senate affiliated colleges this year as well.

5) Commercial tourism is growing with the sole objective of profit, pleasure and enjoyment denying the right to live in dignity especially to the poor and marginalized people. New forms of violence against indigenous people, women and children, and entire God’s creation are being perpetuated. Recognizing that these are ethical, theological and missiological concerns, the SCEPTRE collaborated with ECOT in One-day seminar “Commercial Tourism and Theological Education” on 3rd March at SCEPTRE, Kolkata to evolve Christian response and action to this challenge from theological framework. ECOT and SCEPTRE plan to initiate more programs to challenge the current commercially oriented tourism.

B) **Non-formal Ecumenical Theological Education Initiatives:** The SCEPTRE continues to create platform for interfaith dialogue, ecumenical exchange lectures, symposium, consultation, workshop, and theological roundtable on contemporary life cutting-edge issues. This year we have collaborated our activities with EDAN-WCC, ETE-WCC, NCCI, Compassion India, Colleges/seminaries, and local churches. Through their support and cooperation, we have organized the following activities during the academic year.

1) In collaboration and support of EDAN-WCC, Dr. K.C. Abraham and myself delivered lectures on “Teaching Theology from Disability Perspectives” in seven colleges/schools:
   - 28th October, 2011 - Serampore College, Serampore
   - 5th November, 2011 - Impur Bible School, Impur
   - 8th November, 2011 - John Robert Theological Seminary, Shillong
   - 24th November, 2011 - Bishop’s College, Kolkata
   - 6th December, 2011 - Concordia Theological Seminary, Nagercoil
   - 8th December, 2011 - Trinity Theological College, Dimapur
   - 27th January, 2012 - Calcutta Bible Seminary, Kolkata

2) With the support of ESHA-NCCI, we could organized three HIV awareness programs under the theme “Ministry to People Living with AIDS” from June 7-8 for church and lay leaders. 30 pastors and lay leaders attended in the first program. In conjunction to teacher’s pedagogical seminar the other two seminars were organized on 19th July and 3rd October for theological teachers. We record our appreciation to Arunima Hospice, Kolkata for the exposure programs and equipping us to understand Care and Counseling techniques for PLW HIV & AIDS and Management of NGOs, issues on HIV and People with different sexual preference, and community prevention program of HIV. 56 teacher’s attended the second and third programs. We thank Dr. Roger Gaikwad, Fr. Philip Kuruvilla and Mr. Among Jamir for their support and expertise.

3) With the support of the ‘Justice and Care India’ and ‘Compassion East India’, the SCEPTRE organized two times One-day seminars on “Child Trafficking and Legal Protection of Girl Child”. The first seminar was organized on 14th March, 2011 for pastors from Nagaland. Altogether 23 pastors attended the seminar. The second seminar was organized on June 25 for NGOs workers, students and church leaders from North India. 14 participants attended the second seminar. The seminars created awareness on the current situation of child trafficking and legal rights of girl child in the country with special emphasis to the role of the church.
3) **Church Leaders’ Continuing Theological Education** – Under the theme “Re-reading the Bible in the Changing Context,” the SCEPTRE facilitated 5 training programs for pastors, youth leaders and women leaders of Nagaland:
   a) Ao Baptist Pastor’s training was conducted from March 11-17, 2011 at the SCEPTRE (15 pastors attended the program).
   b) Youth Leaders training (first batch) was conducted May 07-10, 2011 at SCEPTRE, Kolkata (27 youth leaders attended the program).
   c) Women’s Leaders training (first batch) was organized from July 3-7, 2011 at SCEPTRE (17 women leaders attended).
   d) Youth leaders program (second batch) was organized from September 21-27 at SCEPTRE (23 youth leaders attended)
   e) Women’s Leaders training (second batch) was conducted from October 24-29, 2011 at SCEPTRE (19 women’s leaders attended).

Professors from Bishop’s College, Serampore College and staff from Justice and Care, Compassion East India and Arumina Hospice were the resource persons for the programs. We thank the churches in Nagaland for shouldering the expenses of the training program. We also record our gratefulness to all the resource persons for their time and participation.

4) The SCEPTRE coordinated the D.Th Methodology Seminar from May 1-14, 2011 (refer to Dean’s report for details).

5) The SCEPTRE hosted an International Theological Symposium jointly organized by WCC-Just and Inclusive Communities, NCCI, Bishop’s College and Gossner Theological College from 13-16th December, 2011. This symposium was attended by about 50 participants, represented by church leaders, theologians, NGOs, from India, Norway, Taiwan, and Myanmar. The symposium was centered around the theme *Theologies for a New Church and New World.* This symposium was divided into Dalit and Indigenous (Adivasis & Tribals) groups for special emphasis upon their distinct identities. The Indigenous group laid stress on theme *Doing Indigenous Theology in Asia: Towards New Frontiers,* while the Dalit group focused on ecclesiology from dalit perspective.

6) To support SCEPTRE’s library and promote library exchange programme, the SCEPTRE collaborated in publishing two books: (a) *Jesus Christ the Light of the World: Revisiting New Delhi 1961 WCC Assembly on Mission and Ecumenism* (a joint publication of NCCI-SCEPTRE (b) *Doing Theology from Disability Perspective* (a joint publication of ATESEA-SCEPTRE. The sale proceed are used for the library development.

C) **The SCEPTRE Program Centre:**
   1) **SCEPTRE facilities:** I am happy that SCEPTRE is increasingly used by churches and church-based NGOs in spite of the limited space and facilities. We had the privilege of hosting 25 meetings, lectures, consultations during the year and this in turn generated income for SCEPTRE’s ministry. We could also repay 3 lakhs to the Senate out of the income. The following facilities were added at the Centre during the last academic year.
      2) We have given wireless internet connections to our guests.
      3) We have improved the library facility and office space by adding new tables, chairs and air-conditioners.
      4) We have added 204 books and 12 journals in our library.

D) **D.Min Scholarship for Women:** The Christian Education Fund of Kassel, Germany continue to support D.Min scholarship program. This year we have awarded scholarship to 6 women. Thanks to Rev. Eberhard Will for this initiative and support. We also acknowledge the support of United Evangelical Lutheran Church in India for D.Min scholarship.

E) The Ao Baptist Arogo Mungdang continues to support SCEPTRE’s program with a grant of 1 lakh. This year Baptist Church of Mizoram has renewed their support with a grant of Rs. 50,000. We have also received a grant of Rs. 25,000 from the Presbyterian Church of India. We record our gratitude for their continued support and partnership in SCEPTRE’s programs.

F) **Promotional Engagements:** Apart from SCEPTRE’s ongoing activities, Dr. M.T. Cherian and myself could be involved in various academic and church related programs. Dr. Cherian continues to coordinate interfaith
initiatives for Peace Coalition and facilitated leadership program in Hawai, USA. He has contributed 3 articles in reputed journals. I helped in EDAN initiative for developing disability discourse curriculum for theological colleges in PERSETIA, Indonesia and ATEM, Myanmar. Also, helped Asia-Pacific YMCA in developing alternative tourism program. I also had the privilege of facilitating the theological education by extension programs in Vietnam and Cambodia. To promote leadership skills, Ms. Aparna was sent to Dhaka to participate in the program on interfaith dialogue in diversity in July and Mr. Premanshu to Bangalore to participate in the program on globalization and youth in August.

Gratitude:

I would like to end this report with a word of appreciation to all the churches, colleges/seminaries and ecumenical partners for their continued support and partnership. My special thanks go to ETE-WCC, EDAN-WCC for various programs; Christian Education Fund, Germany for D.Min women’s scholarship; NCCI-ESHA for HIV awareness programs; and Colleges/seminaries, Churches, and all the well wishers for their generous contribution and cooperation. Without their generous support and partnership we would have not achieved those programs. We uphold them in our prayer for their continued ministry.

Last, but not the least, I express my sincere gratitude to my colleague Dr. M.T. Cherian and all the staff of SCEPTRE for efficiently and diligently discharging their duties all through the year.

Respectfully yours,

Wati Longchar
Dean, SCEPTRE, Kolkata
Hon’ble Master, Respected President, Members of the Council, the Senate and the Board, Distinguished Guests and Friends,

I deem it a great privilege to present to you a brief report on the activities of the Department of Research/SATHRI for the year 2011-2012.

Introductory note:
For more than two decades, the doctoral and research programmes of the Board and the Senate had been run and coordinated by SATHRI from Bangalore Office. As was mentioned in the past, we have laid a strong foundation for our doctoral programme. After twenty years of its establishment in Bangalore, on the basis of the recommendation of the Review Committee, the Board and the Senate in 2010 resolved that SATHRI be moved to Serampore from Bangalore Office so as to function as the Department of Research of the University. Such being the case, SATHRI which had been the programme of research of the Board has become the Department of Research of the Serampore College (University). Under the University the head of the department is termed as the Dean who shall be responsible for research programme. The newly appointed Dean has started functioning from Serampore in February, 2011 in the Office of the Senate.

The Committee for Research which is responsible for the academic administration of the Department of Research/ SATHRI met twice in April and November, 2011. Apart from granting admission to the candidates recommended by the Doctoral Research Centres, they received progress report of students enrolled at various centres and scrutinized the study plans as well as their thesis proposals. The Committee also ensured that the doctoral research programme run systematically without compromising its high standard, in cooperation with the Doctoral Research Centres under the Senate of Serampore College (University).

The following are highlights of the main activities of the Department of Research/SATHRI under the guidance of the Committee for Research for the past one year.

With the new admission indicated above, this year we have as many as 166 doctoral students registered at various Doctoral Research Centres under the Senate. While 38 of them have submitted their theses, 12 of them were cleared for viva voce. It may be good to mention that the number of woman students has increased as the year goes by. As the Department of Research/SATHRI has completed twenty two years of its existence this year, as many as 58 women have been enrolled for doctoral programme under the Senate and so far 17 of them have received the degree. At present, we have 33 women candidates enrolled for the doctoral programme at various Doctoral Research Centres.

It is gratifying to note that this year out of 84 doctoral students enrolled at various Doctoral Research Centres between 2008-2011, 56 of them got benefited with the scholarship fund made available to the Department of Research by EMW, Germany, Common Global Ministries, USA, ICCO & Kerk in Actie, Netherlands, Methodist Church in UK and from other sources. Efforts are now being made to increase the scholarship fund by approaching some more overseas’ partners.

Here it must also be mentioned that the students have been given admission into the doctoral programme not only to strengthen the faculty development in theological institutions but also to provide leadership to the Church and society.

Candidates who have been recommended for the award of the degree:
I am happy to report that this year the following 12 D.Th candidates have been recommended to the Senate for the award of the degree on the basis of their performance in viva voce.

1. Ms. Precey Varghese (168/01) Christian Theology FFRRC  
2. Rev. A. John Prabhakar (300/06) Christian Ministry SATHRI  
3. Rev. Epratha Sarathy (186/03) Christian Ministry UTC  
4. Rev. Samuel George (301/06) Christian Theology UTC  
5. Rev. M. Thangkosei Haokip (317/06) History of Christianity SATHRI  
8. Mr. Girik K (309/06) Religions NIIPGTS  
9. Ms. Lovely Awomi G. Jamaes (196/03) Christian Theology FFRRC  
10. Mr. C. Somu Ebenezer Ross (191/03) Christian Theology GLTC  
12. Rev. Hamries Rymbai (244/07) Religions NIIPGTS  

As per the decision of the Senate, the Doctoral Research Centres have submitted doctoral theses not to the Depart-
ment of Research/SATHRI but to the Senate Office for evaluation as clearly indicated on the title page of each thesis. As in the case of other examinations under the Senate, the Registrar is solely responsible for the evaluation of theses. Department of Research/SATHRI is held responsible only for conducting viva voce.

Here it must be noted that procedures have been followed to conduct the viva voce. Because of the financial constrains and in view of the conveniences of the examiners, this year viva voce examinations for twelve candidates were arranged at four colleges: Bishop College, Kolkata, United Theological College, Bangalore, Orthodox Theological Seminary, Kottayam and Gurukul Lutheran Theological College, Chennai. Having satisfied the examiners at viva voce, all of them have been recommended to the Senate for the award of the degree.

Seminar/Colloquium:

1. **D.Th Research Methodology Seminar/Orientation Course:**
   The D.Th Methodology Seminar/Orientation course is organized every year for the doctoral candidates under the Senate of Serampore College. It is an occasion of intense learning and deepening of critical abilities of the student participants. It is also an intense programme of paper presentation and discussion by both the faculty/resource persons and the students. Its objective is to provide the doctoral candidates with necessary methodological tools for research, to help them maintain uniform standard, to expose them methodological issues in various disciplines and to help them in sharpening their research focus and area.

   This year the Methodology Seminar was organised with the help of ICCO and Kerk in Actie, Netherlands, from May 1st - 14th at SCEPTRE, Kolkata. Dr. Wati Longchar, Dean of Extension and D.Min Program, served efficiently as the Director of the Seminar/Orientation course. Dr. M.T. Cherian, Associate Dean, Extensions and Dr. Sunil M. Caleb, Principal of Bishop’s College also helped us in arranging accommodation and food for the participants. Despite his busy schedule, Fr. Dr. K. M. George, Chairperson of the Research Committee participated in the Seminar leading inaugural devotion and presenting the paper in the first session. A total of 30 newly admitted D.Th students and 4 other prospective candidates attended the Seminar.

   The Seminar/Orientation course consisted of the following components: theological research in India/Asian context; thesis title and thesis proposal formulation; methodological issues in various theological disciplines; thesis proposal presentation and departmental meetings. Resource persons from different disciplines and from all over the country shared their views and ideas on methodological issues.

   The Methodology Seminar provides the candidates for D.Th Studies programme a good opportunity to study and to work together. Like the previous year, most of the students expressed their satisfaction with all the arrangements made for the Seminar and also found the Seminar quite beneficial and insightful for their future Doctoral studies.

2. **Seminar on Asian theology**
   In collaboration with the Asian Centre for Cross-Cultural Studies, Chennai, a seminar on theological issues in Asian context had been organized for the last two years. It has become an important annual feature of Department of Research/SATHRI programmes or activities. A seminar like this gives our D.Th students an opportunity to interact with the prominent theologians and scholars from Roman Catholic and secular circles, who have been actively engaged in theological endeavours in different parts of Asia.

   This year seminar on Asian Public Theology was organized at Asian Centre for Cross-Cultural Studies, Chennai from September 7-9, 2011. Seventeen D.Th students from six Doctoral Research Centres and five faculty members from affiliated colleges including the Chairperson of Committee for Research participated in this seminar. The theme ‘Asian Public Theology’ was divided into 11 sub-themes and five of them were assigned to the five faculty members.

   Seminar on Asian Public Theology has helped the students in making theology relevant and meaningful in contemporary Asian context. It has also challenged them to evolve new thinking in doing mission in the contemporary socio-political and economic context of Asia. A book containing the seminar papers is going to be published. This may be an important source for doing theology in Asian context today.

   Department of Research/SATHRI’s participation and involvement in this Seminar was made possible with the support of the Methodist Church in Britain.
3. National Colloquium/Inter Disciplinary Colloquium:

National Colloquium or Inter-disciplinary Colloquium is one of the important annual features of Department of Research/SATHRI programmes or activities. The Second and Third Year D.Th students with faculty representatives from different Doctoral Centres under the Senate are brought together at least once a year for mutual learning and cross-fertilization of ideas and perspectives. The Colloquium is an occasion for a fellowship of the students and faculty members who come together in one place to share their concerns, views and ideas on the themes selected. It was also an occasion for strengthening relation among theological institutions. It also fulfills the need of having a community of scholars, enriches the research programme and provides the opportunity to share ideas.

This year, the National Colloquium was organised at Tamilnadu Theological Seminary, Madurai, with the support of ICCO & Kerk in Actie in Netherlands. All the Second and Third year D.Th students totaling 45 and 12 faculty members from different Doctoral Research Centres under the Senate participated in this Colloquium. Dr. Solomon Victus served efficiently as the Programme Coordinator. Because of the concession graciously given by the Principal, Dr. M. Gnanavaram, the Colloquium was organized with reasonable expenses.

The theme of Colloquium was Doing Mission in Contemporary Context of India. The theme was divided into 6 sub-themes – Corruption (Lok Pal), Religious Fundamentalism, Ecological Crisis, Globalisation and Economic Disparity, Regionalism and Communalisation of Politics, Terrorism and Ethnic Violence. Each of the papers was written and presented by group of students belonging to different Doctoral Centres. Each of the Centres was also assigned to respond each of the papers mentioned above. Rev. Dr. P.C. Gine, Vice Principal, who has been currently acting as the Principal and Secretary of the Council of Serampore College (University), was invited to inaugurate the Colloquium and to give a key note address at this Colloquium. The National Colloquium was indeed a great opportunity for mutual learning and sharing of thought as we envisaged it.

National Colloquium is an eye opener for the participants to review how best the task of doing mission should be done in the contemporary context of India. It may evolve new thinking in doing mission in the contemporary socio-political and economic context of India. We are now in the process of publishing the papers presented and discussed in this Colloquium in a book form.

Publications:

As was done last year, Department of Research/SATHRI has published two issues of SATHRI JOURNAL in one volume. Here I would like to mention that SATHRI JOURNAL was published in 1991. Due to some inconveniences it was not published for some years. Even though it has continuously been published for the last four years, yet the subscribers are few. I strongly feel that we should give a serious attention to it. As we are aware of, SATHRI JOURNAL is primarily meant for the publication of scholarly articles.

We are in the process of publishing articles presented in the Colloquium in the form of book entitled Doing Mission in Contemporary Context of India. We are also in the process of enlarging and reprinting the book Issues in Theological Research: A Methodological Exploration.

We have in our stock a good number of copies of 31 books published by BTESSC/SATHRI during the last few years. The total stock may be estimated about four lacks. This year almost all the theological colleges/seminars have been requested to place an order for these books. Till today we have received very few orders for most of the books. I wish we should give serious thought to it.

Department of Research/SATHRI Building:

I am happy to report that the Council of Serampore College has allotted a site for the building complex of the Department of Research/SATHRI inside the College campus. The plan has been made and approved by the Council and the concerned committee. Area of the Building to be constructed is Sq ft. 33,150. Total Estimate is Rs 3,65,96,360.00. The Ground Breaking Ceremony was done on October 17th 2011 under the leadership of Rev. Dr. Lachungnunaga, the former Principal of Serampore College.

In the building complex, there will be offices of the Master, the Dean and the National Professors, rooms for the doctoral students and research scholars, library and archives seminar and consultation rooms, residential flats for the Dean, the National Professors and the guests. The construction work is expected to begin within the next few weeks with the sale proceeds of SATHRI properties in Bangalore, which have been deposited in the Bank. We have got the sanction from the Serampore Municipality for the building. Work order was already given to Hi-Tech who
have constructed the Senate building. To complete the whole building complex as per estimate, we need to raise more funds at least Rupees two crores and sixty lacks from local sources and overseas partners.

**Future Plans and Concerns:**
As SATHRI has moved to Serampore to function as the Department of Research of the University, while coordinating and guiding other Doctoral Research Centres, without undermining the role and function of the Centres, it has been planned to conduct doctoral research programmes under direct supervision of the Department of Research/SATHRI. It is also envisaged that interdisciplinary research programmes with the Universities in India and abroad will be taken up at the Department of Research/SATHRI in future. Enquiries with regards to entering into some kind of agreement for research from Universities abroad are being received, which will be taken up for consideration once the infrastructures are ready. We also plan to enter into dialogue with the UGC for planning in research. With this end in view, the building of the Department of Research/SATHRI has been planned to accommodate at least twenty research scholars of various disciplines and four National Professors. Efforts have also been made to establish the Chairs for National Professors and to improve facilities to meet the requirements for running research work.

In order to carry out the future plan mentioned above, what is urgently required is finance. Right from its inception, SATHRI was totally dependant upon the overseas’ support. Due to the increasing demand from other countries, the funds coming from overseas’ partners have dwindled in recent past and some of them have given us a warning that they will stop funding us after one or two years. Despite our request, most of the traditional partners excepting EMW, Germany, ICCO & Kerk in Actie, Methodist Church in UK and Global World Ministries, USA have stopped funding us for some years. Even among the partners who have been supporting us, only the EMW Germany, has given us grant for infrastructure. This being the case, serious attention should be given to ensure that Department of Research/SATHRI function with a sound and stable financial basis.

It may be good to mention here that since the SATHRI has been bifurcated and has moved to Serampore to become the Department of Research of the University, the financial burden has become doubled. Most of the Grants which have been received from the overseas partners are the designated funds and as such Department of Research/SATHRI has little or no source of income for the administrative expenses. This being the case, the financial needs including the salaries of the Dean and Office staff have been taken care by the Senate Office and the Mizoram Presbyterian Church Synod. In this context of financial constrains, we have approached some churches and individuals in Mizoram and other parts of North East India, The response we have received was not in a big way but encouraging. It would be good if some of the officers of the Senate could meet with them to promote the idea and get more support. While we are grateful that Department of Research/SATHRI has been supported by overseas’ partners, we must be sure of the fact that our doctoral studies programme is for the Churches in India, which must be sensitized or challenged to assume the responsibility for it.

In mobilization of local resources to financially support the Department of Research/SATHRI, what is concerned is not only to approach the churches and the individuals but also to institute new or additional fees in the D.Th Fee structure. In coordinating and guiding doctoral programme, the Department of Research/SATHRI has spent lacs of rupees without receiving little or no other income either from the Centres or the students. This needs to be addressed in our efforts to mobilize local resources.

The concerns expressed in the reports last year, namely scholarship and academic excellence continue to be our concerns. This year in addition to 16 continuing students, we have 40 applicants from various Doctoral Centres for the scholarship. While 22 of them were given full scholarship, the rest were given one time scholarship grant or bursary. We appreciate in gratefulness the efforts made by our Hon’ble Master Rt. Rev. Dr. John Sadananda and my predecessor, Rev. Dr. Wati Longchar in raising fund for the D.Th Scholarship in the past. We are now exploring the possibility of getting more funds from local sources and abroad. Since the Churches and Theological Colleges/Seminaries are not in a position to provide adequate support to their doctoral candidates, raising fund from overseas as well as from local sources remains one of the important concerns.

Even though we have laid a strong foundation for our doctoral programme, the goal - to achieve academic excellence remains the important concern of the Committee for Research and the Senate. Following the decision of the Senate, Common Entrance Test (CET) for all the candidates at different Centres will be conducted by the Senate Office from this year. This would help us to achieve to some extent academic excellence in our doctoral programme at various Doctoral Research Centres under the Senate.
Another concern is to address lack of resource persons in the areas/fields like History of Christianity, Communication, Missiology and Women studies. We have produced more than 121 doctorates in the past twenty two years. But when we look for resource persons in the areas mentioned above, very few of them are available to guide our doctoral candidates. We need to seriously look into this and take some steps to address this concern.

As mentioned several times in the past, since our country is so vast and diverse, our concern still remains to evolve doctoral research centre in different regions without undermining academic excellence. With this in mind, it is important to identify and strengthen some colleges in different regions that are capable of offering doctoral studies in some specified areas.

Thanks:
As the Dean of Department of Research/SATHRI, this is my first year to give the report. First of all, I would like place on record my gratitude to the Senate, Council of Serampore College (University) and Mizoram Presbyterian Church Synod for giving me this opportunity to serve as the Dean. In particular I would like to thank Bishop Dr. John Sadananda, Master of the Council, and Bishop Dr Isaac Mar Philoxenos, President of the Senate, for their counsel and encouragement, Dr. Ravi Tiwari, Registrar of the Senate for providing the Office space and also for his generous help in many ways including office management. I could carry out my responsibility with their help and encouragement.

I am grateful to Fr. Dr. K.M. George, Chairperson and all other members of the Committee for Research for their support and cooperation. I am also thankful to Dr. P. Mohan Larbeer, BTSSC Secretary, Dr. Wati Longchar, Dean, Extensions and D.Min Programme, Dr. M.T. Cherian Associate Dean, Extensions for their help during this transitional period.

I would like to thank all the Principals and the Registrars/Deans of Doctoral Research Centres for their cooperation and support in our doctoral and research programmes. Our thanks also goes to all the resource persons of the Seminars/Colloquium, the hosting Principals/Directors and Staff, thesis guides, members of the supervisory committee and the examiners for their help and cooperation in all the research programmes.

Our special thanks goes to our overseas partners especially EMW, Germany, ICCO & Kerk in Actie, Netherlands, Methodist Church in Britain and Common Global Ministries, USA for their partnership with us and for their generous support for all the doctoral and research programmes, scholarships publications, infrastructures, etc. Department of Research/SATHRI has been running smoothly till today because of their valuable support. We are also grateful to all the Churches particularly the Churches in North East India and the individuals for their generous contribution towards the support of the Department of Research/SATHRI.

Lastly but not the least I would like to thank the Office staff of the Department of Research/SATHRI and also all the staff of the Senate and of the BTSSC for their help and support.

Respectfully submitted-
H. Vanlalauva
The 37th Meeting of the Board of Theological Education and the 87th Meeting of the Senate of Serampore College (University) at the New Theological College, Dehradun, Uttarakhand, from 8th-10th February, 2012

1. In line with the Seminar Theme “CLIMATE JUSTICE”, the BTESC secretary’s report too expressed a genuine concern and commitment for a theology of the earth and the earth community. The urgency for a creation theology to facilitate meaningful thoughts of stewardship was reiterated. The need of the hour to express solidarity with the victims of climatic change was affirmed. The commitment of the theological education programme in concretizing ideas and taking proactive steps in this regard was once again emphasized.

2. The announcement of the accomplishment of the efforts towards an on-line library facility (Globe TheoLib) for the Serampore family was indeed welcome news, and the devoted services of the Founder Director of Globe Ethics, Dr. Christoph Stueckelberger was gratefully acknowledged. It was pointed out that the Serampore family could make a profound contribution towards strengthening this online programme to the benefit of academic communities across the globe.

3. The determination to reach out to India’s neighborhood, particularly the progress made in getting connected with MIT and ATEM, Myanmar was noted with appreciation. There was also the reaffirmation of the Serampore family’s determination to work towards strengthening theological education in our neighboring countries, particularly in Nepal, Bangladesh, Sri Lanka and Bhutan.

4. The increased number of women delegates representing theological colleges in the Board and Senate Meetings was noted with appreciation. However, it was also felt that there should be conscious and consistent efforts to ensure equal participation of women in various programmes of the Board and Senate.

5. The concerns expressed by the Rev. Dr. Dietrich Werner, the Global Programme Coordinator of the ETE/WCC during last Board meeting was brought to the attention of the body, especially regarding the need to have dialogue with those sections that are not adequately represented in the Serampore family (Evangelicals, Pentecostals, etc.). It was felt that this matter be addressed with a spirit of commitment and passion in the coming years.

6. The matter of developing theological literature, particularly theological text books in regional languages was expressed with great concern. Immediate steps will have to be taken up to strengthen the text-book programme, which would give life and meaning to theological education at the grass root level.

7. The Board and the Senate should take appropriate measures to revitalize the ATTI (Association of Theological Teachers in India) to promote younger theologians in order to develop their creative thinking, writing and teaching skills.

8. It was also suggested that the possibility to expand the Board membership to the evangelical fraternity be explored. This will promote mutual exchange and enrichment in theological deliberations.

9. While appreciating the efforts towards promoting academic excellence, it was also pointed out that ministerial formation should be given adequate importance. The relevance and significance of the regional component should not be overlooked while addressing the plurality and diversity of the sub-continent.

10. The initiative towards the revision of M.Th curriculum was appreciated as it is the right step towards taking theological education forward to a world of competition and complexities. It was further suggested that the project be carried out with a sense of urgency and also in line with the spirit of the new B.D curriculum.

11. As it has already been suggested in several pedagogical seminars and related meetings, due importance should be given to pedagogical training, particularly at the level of Master of Theology studies.

12. It was proposed that local resources be mobilized for the programmes of the BTESC and SATHRI.
